

Spanner Clamp V2

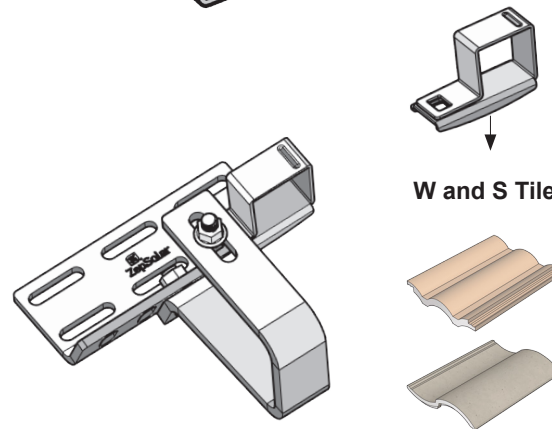

The **Spanner Clamp V2** secures the Mighty Hook V2 to the Spanner Bar. The Spanner Clamp is used in ZS Span, Zep Solar's PV mounting solution for tile roofs.

Spanner Clamp
Part No. 850-1554

Spanner Clamp is fastened on top of the Mighty Hook bracket, with the flanged face pointing upwards.

Spanner Clamp is fastened underneath the Mighty Hook bracket, with the flanged face pointing downwards.
